

MS Office 365 Course Outline – Intermediate level

Course Objectives

This intermediate course is for anyone who wants to learn more about Office 365 having taken the introduction course. It's suitable for those who have a little self-taught knowledge.

By the end of this course you will be able to create and edit documents, workbooks, PowerPoint presentations and OneNote online. You will understand how to create forms and quizzes, share and collate responses. You will be able to create a Plan, create and assign tasks. Communicate with colleagues via Yammer and keep organised with Delve. Lastly you will learn about how to work with Teams and set up meetings and chat too.

Estimated Course duration is 2-3 hours. Each lesson takes on average 3-5 minutes to complete.
