

MS Windows 10 Course Outline – Intermediate level

Course Objectives

This intermediate course is for anyone who wants to understand how to get more out of Windows 10. It's suitable for those who have used the basics or those who have a little self-taught knowledge.

By the end of this course you will be able to set up picture passwords, work with screen savers and the snipping tool. You will also learn about the apps such as Edge, mail, the calendar, the camera, maps, Cortana and People. Lastly you will learn about privacy settings and access OneDrive.

Estimated Course duration is 2 hours. Each lesson takes on average 3-5 minutes to complete.
