

Microsoft 365 Course Outline – Introduction level

Course Objectives

This introduction course is for anyone who wants to understand how to use Microsoft 365. It's suitable for complete beginners or those who have a little self-taught knowledge.

By the end of this course you will be able to access your Microsoft 365 account, understand the home page, change settings, themes and sign out. You will be able to access the online version of Outlook, Word, Excel and PowerPoint and learn about the difference between contacts and groups. Learn the difference between SharePoint and OneDrive. Understand about other apps such as Yammer, Teams and Planner.

Estimated Course duration is 2-3 hours. Each lesson takes on average 3-5 minutes to complete.
